PROFESSIONAL EXPERIENCE

UPT Laboratorium Komputer – Lecturer’s Assistant

Coordinator & Assistant, Institut Widya Pratama | February 2022 - 2025

When joined this unit, I have learned some social skills like public speaking, manage people and many more.

- Worked as a teaching assistant, assisting lecturers during computer lab sessions.
- Coordinated teaching assistants to ensure proper scheduling and alignment with the lecturers' courses.
- Maintained and monitored the computer lab to ensure smooth operation.

Information Resource Center (P3SDI) – Technician

Work as technician, Institut Widya Pratama | February 2024 - 2025

During my time as a teaching assistant at the Computer Laboratory Unit (UPT Komputer), I was promoted to an Information Resource Center Technician for one year.

- Assisted the Information Resource Center in troubleshooting technical issues.
- Maintained computers and their peripherals in classroom to ensure they were in good working condition.
- Troubleshoot issues faced by lecturers in their offices, including printer malfunctions, internet connectivity problems, software installation, and computer troubleshooting.
